

FEBA Corporate Login First Time

How to Login to our new e-Banking application for corporate users?

- Search for www.ucoebanking.in and load the page in the browser. Click on the first tab i.e. **Net banking Login** available in the horizontal menu bar.

- After click on **Net Banking Login**, two options will display **Retail Login** and **Corporate Login** to the user. Retail customer has to click on **corporate login** button.

For First Time Corporate FEBA users

- Please enter the userid in the Corporate.Userid field

Suppose customer's Corporate Id is **ABC123** and User Id is **XY123** then FEBA login userid of the corporate user will be **ABC123.XY123**

The screenshot shows the UCO NetBanking login interface. At the top, there is a yellow banner with the UCO Bank logo and 'UCO NetBanking' text. Below the banner, a blue bar contains the text: 'NEW! RD/LOAN INSTALLMENT PAYMENT FACILITY IS NOW AVAILABLE IN OUR NETBANKING.ALERT!!! PLEASE DO NOT RESPOND TO ANY EMAIL'. The main content area is divided into three sections:

- Internet Banking Login:** A form with the following fields:
 - CorporateId,UserId* (with example value ABC123.XY123)
 - A 'Remember User ID' checkbox with an information icon.
 - CAPTCHA (with example value 8558)
 - Verification Code* (with example value 8558)
 - A blue 'LOGIN' button.
- UCO SUVIDHA SALARY ACCOUNT:** A promotional banner for a salary account with a woman's image. It lists 'SPECIAL FEATURES' (Group Personal Accidental Death Insurance upto ₹20 lacs, Overdraft facility upto ₹2.50 lacs) and 'OTHER FEATURES' (Zero Balance Savings Account with free RTGS/NEFT, Free Debit Card (No AMC), Add-on Debit Card For Spouse, Free Cheque Book, Discount on processing fee for Retail Loans, Discount on Locker rent, Auto Swap facility, Full waiver on Standing Instruction Charges).
- ANNOUNCEMENTS:** A section with two bullet points:
 - Dear Customers, Please don't use any mobile/landline number available on search engines like Google.
 - Customers are advised to use only authenticated contact numbers available on UCO Bank's official website.

User can use the tick option to Remember the user id for the browser but please read the notification as per the 'i' icon for that.

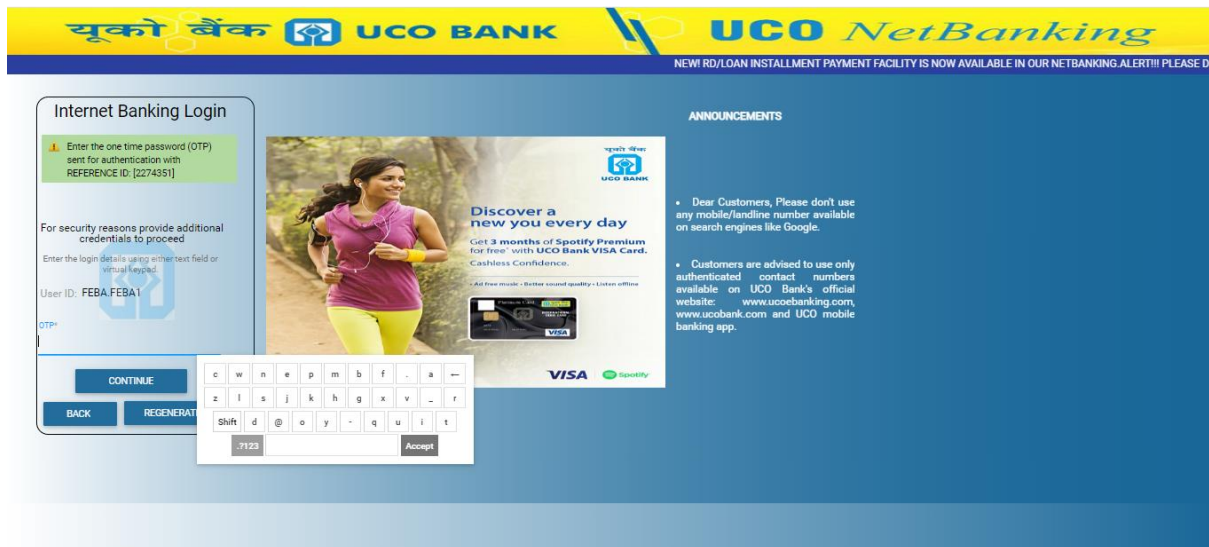

- After putting the corpld.Userid and CAPTCHA and click on **LOGIN** button, next screen will come in which user has to enter his/her existing login password and click on **LOGIN** button

This screenshot shows the next step in the login process. The 'Internet Banking Login' form now has the following fields:

- User ID (with example value FEBA.FEBA2)
- Password (with masked characters)
- A blue 'LOGIN' button.

The 'ANNOUNCEMENTS' section now contains a single bullet point: 'Use UCO Bank's official website www.ucobanking.com, www.ucobank.com and UCO mobile banking app.' The 'UCO SUVIDHA SALARY ACCOUNT' banner remains visible in the background.

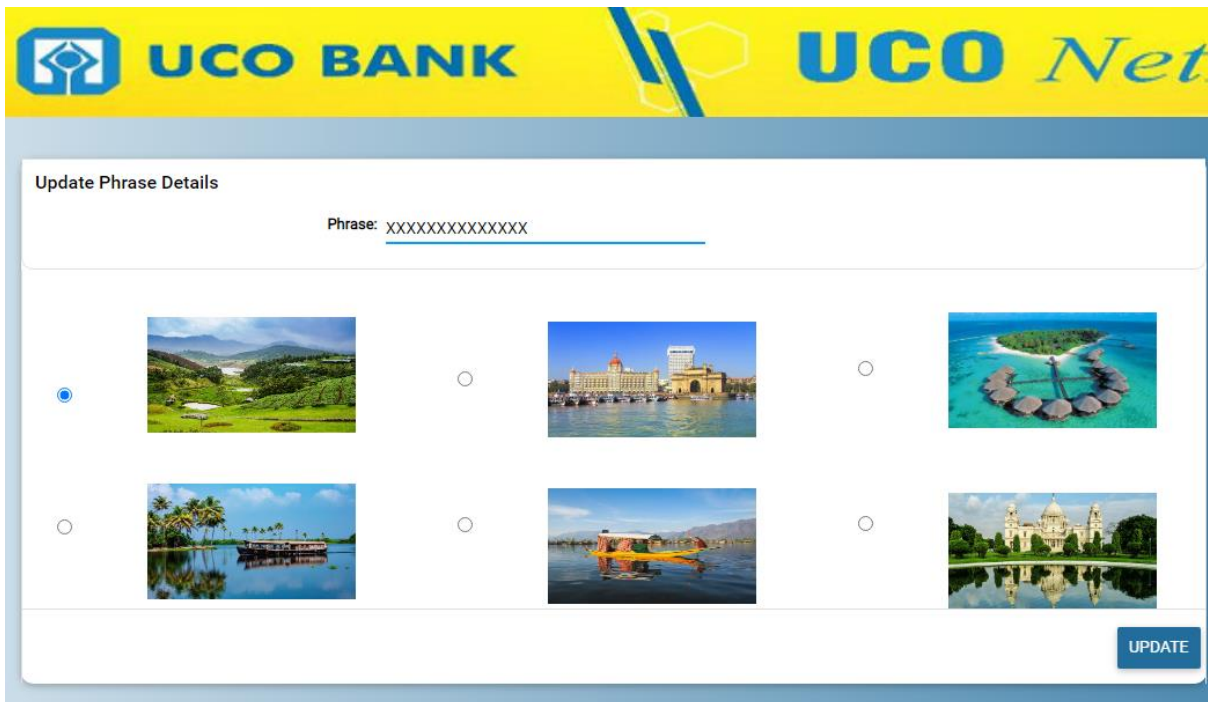

- Please enter the six digits OTP sent to corporate users Registered Mobile Number and Press **CONTINUE**, if due to some reason, OTP is not delivered to the registered mobile number, then user has to click on **REGENERATE OTP**.

Please be noted that the Reference ID mentioned in the LOGIN page should match with the reference id mentioned in the SMS delivered to the user's registered mobile number during login for OTP. If the reference id mismatched with the delivered SMS for OTP then system will not accept such OTP.

- Update Phrase details & Image:** Phrase is basically a keyword that user has to enter during the first time login. Phrase or keyword may be anything (name, place or any word / sentence that users want to register). User also has to select any image given during first time login and click on update button. The selected phrase and image will be displayed to the users, which ensure that customer is on correct Internet Banking website of UCO Bank.
- Both phrase name and image can be changed or modified after login anytime in future.

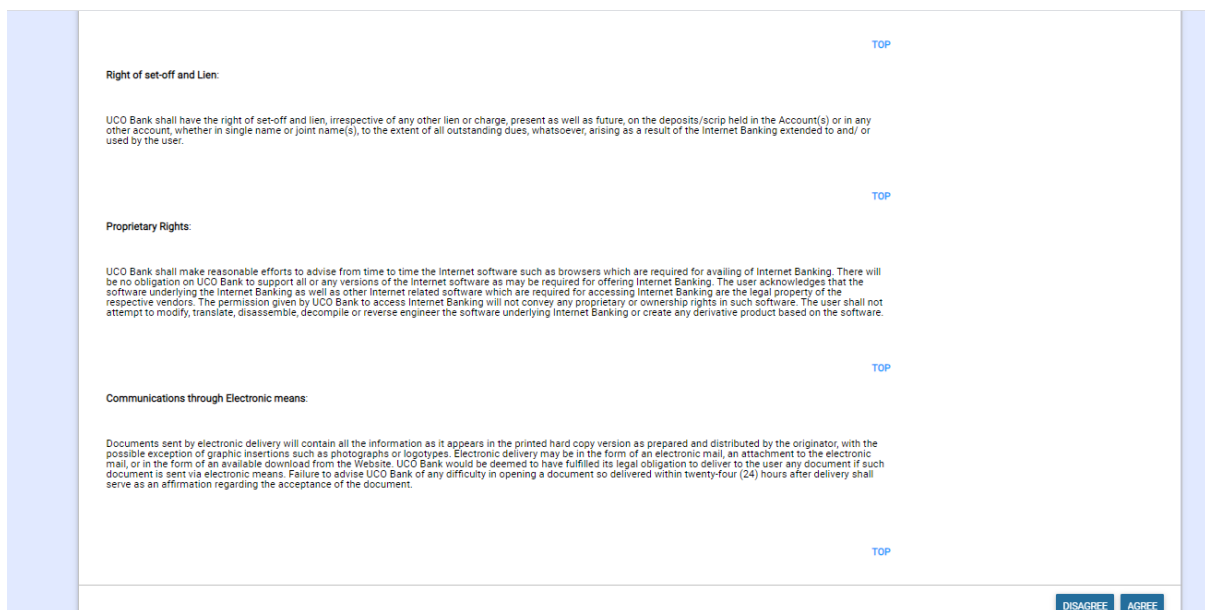

(If selected phrase and image do not match during login, then user should not further proceed because he or she may not be on authorized/official website of UCO Bank. It is advised not to login on such un-official or unauthorized website/link/phishing sites if any.)

On updating of the phrase and image details and click on **UPDATE** button,

Terms and Conditions page will come in the next page. Here user has to read all the terms and conditions and if agreed then click on **AGREE** button. User has to scroll down to view all the terms and condition and AGREE button.

(In case of disagree with the terms & conditions, customers will not be allowed to proceed further)

- On agreeing to the Terms and conditions, the user may navigate to the next screen that is **Force password** change window. Where the user have to use their existing e-Banking Password to change to new Sign on and Transaction password for FEBA login and transaction.

The screenshot shows a web interface for password management. At the top, a blue header box titled "Password Policy" contains a list of requirements: 1. Minimum of 6 characters and maximum of 28 characters. 2. Contain at least one upper case letter (A to Z), one lower case letter (a to z), one number(0 to 9) and one special character (\, @, #, %, &, \$, '). 3. Should not contain all or part of User ID. 4. Should not contain any space. 5. New password should be different from previous three passwords. 6. Sign on Password should be different from Transaction Password. Below this, there are two sections: "Change Signon Password" and "Change Transaction Password". Each section has a "Password*" field with a masked input (dots), a "New Password*" field with a masked input and a strength indicator (three yellow dots), and a "Retype New Password*" field with a masked input. A blue "SUBMIT" button is located at the bottom right of the form area.

Here it is to be remembered that password set or reset, password should be

1. Minimum eight characters
2. At least one upper case, one lower case, one number and one special character.
3. Login (sign-on) password and transaction password should not be the same.
4. New password should be different from the previous three passwords.
5. Should not contain any space

- On pressing continue the user will then be landed to the Internet Banking Dashboard.
